

USER MANUAL ON UAN FUNCTIONS IN UAN DRIVEN MEMBER PORTAL

SCOPE OF THE DOCUMENT:

EPFO has launched a Universal Account Number (UAN) driven Member Portal to provide a number of facilities to its members through a single window. Member has to activate his/her registration to avail various facilities such as UAN card download, member passbook download, updation of KYC information, listing all his/her member ids to UAN, file and view transfer claim. As of now, only active members, for whom employer has uploaded the Electronic Challan-cum-Return for the wage month of Jan 2014 onwards (who have been allotted UAN) would be able to register themselves on UAN driven Member Portal. For registration, member has to obtain UAN from his/her employer alongwith member ID. Member's mobile number would be required to activate registration.

OBJECTIVE OF UAN:

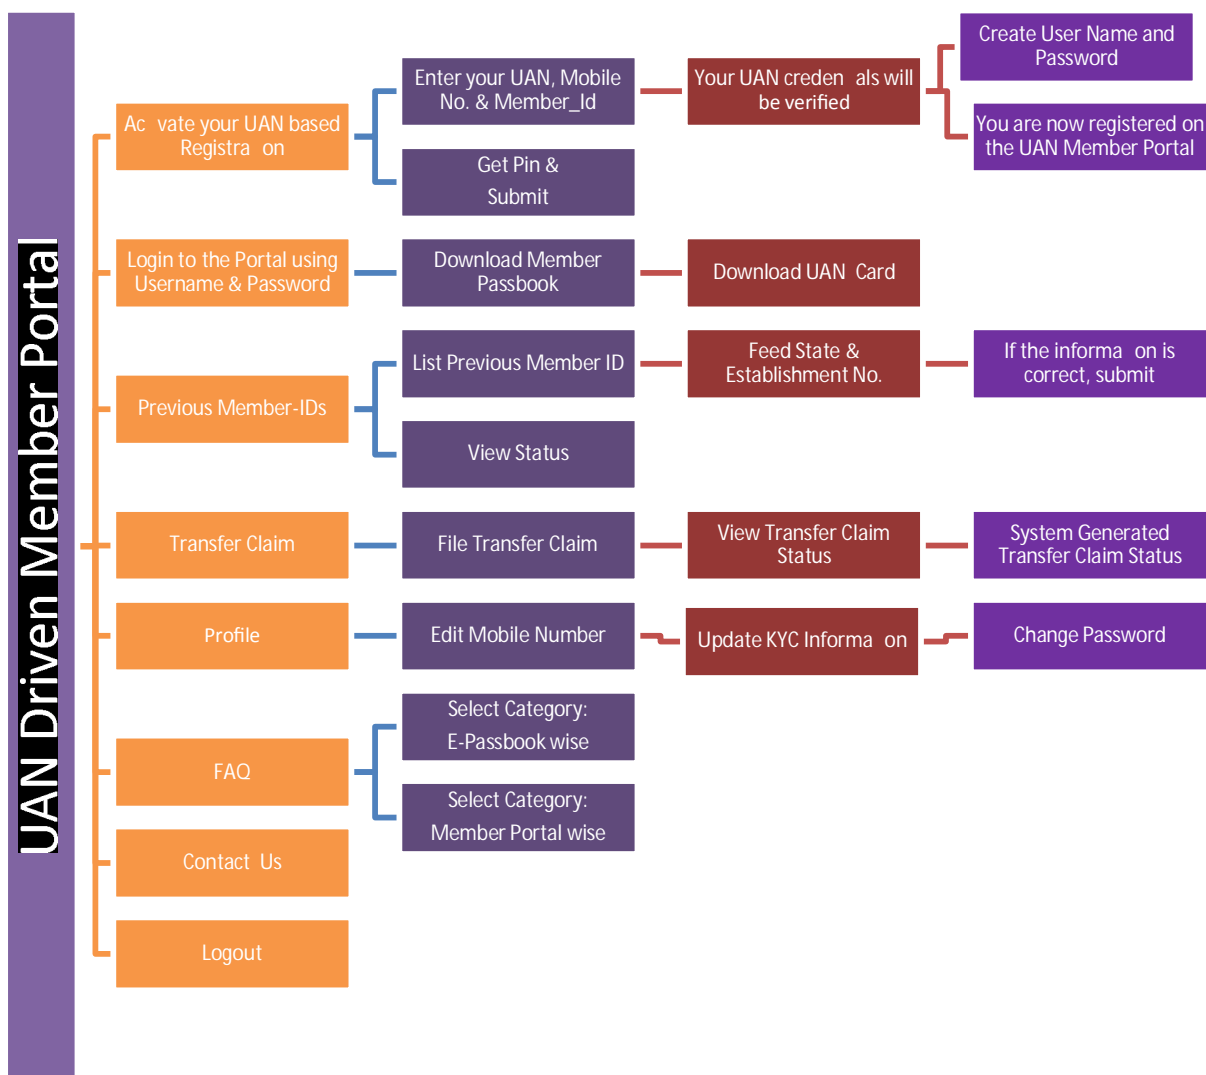

A universal number will be generated for each of the PF Account Number at EPFO NDC. The UAN will act as an umbrella for the multiple Member Ids allotted to the same individual. The idea is to concatenate multiple Member Identification Numbers (Member Id) allotted to a single member under single Universal Account Number. This will help the member to view details of all the Member Identification Numbers (Member Id) linked to it. If a member has already been allotted Universal Account Number (UAN) then he/ she may provide the same to new establishment/ employer which in turn will mark the new allotted Member Identification Number (Member Id) to the Universal Identification Number (UAN).

The main objective behind this new function is to capture KYC details of its members in order to eliminate the dependency on the employer and improve the quality of service. The KYC details will be tagged against the allotted UAN rather the member id thereby eliminating the redundancy.

PRE-CONDITIONS:

- Must exist in the ECR w.e.f. Jan 2014 onwards.
- Must obtain UAN no. and member id from employer.
- Activation of the registration is mandatory.
- Has to create user name and password for accessing UAN driven member portal.
